About Ritsurin-An

"What souvenirs should I bring back?"

"I want to buy a gift for a friend living outside of Kagawa..."

When in doubt, come visit the Ritsurin-An Gift Shop, next to the East Gate of Ritsurin Garden!

We offer a wide range of fine products made in Kagawa, from traditional classics to hidden gems, satisfying both visitors from outside the prefecture and local residents. Take your time and enjoy shopping in our spacious store, built out of Kagawa Hinoki Cypress wood.

Sanuki Collection

Carefully handpicked by our staff, these Kagawa items, ranging from traditional crafts to folk art made with the fresh twist of modern design, are sure to "wow" you!

Sanuki Seasonal Specialties Area

This area features seasonal products from Kagawa. The product lineup changes according to themes such as seasonal holidays and featured ingredients.

More than just shopping! Hands-On Experiences and Outdoor Market!

We also hold a variety of popular events where you can directly interact with the producers, including traditional craft workshops in the event space, free samples of seasonal Kagawa products, and the regularly-held outdoor market beside the store.

About our Products

Classics from long-established stores, the latest items that everyone is talking about, unique crossover goods... We have carefully selected a variety of the very best and signature products from Kagawa.

Enjoy the many flavors of Kagawa

Delicious Food

We offer everything from noodles like Sanuki Udon and somen, to products from the sea such as iriko dried sardines and tempura, to seasonings including soy sauce and salt, to shoyu mame (broad beans marinated in soy sauce) and tsukudani.

Japanese sake, beer, wine, and more

Local Alcohol

We carry a wide range of delicious alcoholic drinks cultivated in Kagawa's natural environment, including refined sake produced by historic breweries, wine, local draft beer, and liqueur made with Kagawa-grown fruit. Umeshu liqueur and wine made from the plums grown in Ritsurin Garden are sold in autumn.

From the famous traditional classics to new items

Colorful Confections

From treats sweetened with Rare Sugar, to Wasanbon refined sugar candy, to confections from popular stores, we have everything from the classic to the brand-new. In addition to boxed sets, some confections are sold individually—perfect for gifts, souvenirs, or as a treat for yourself.

From traditional techniques to cute mascots

Various Goods and Crafts

Our diverse selection offers items perfect for everyday use as well for gifting, including traditional crafts developed from the history and culture of Kagawa, local products such as gloves and items made from Aji Stone, and a variety of artistic items.

Kagawa is the top olive-producing prefecture in Japan!

Olive Products

You can find oil made from Kagawa-grown olives, recognized worldwide for its high quality, as well as sweets, cosmetics, and various other olive-based products. The Shinzuke Olives (pickled fresh table olives), on sale from mid-October, are also very popular.

The fresh taste of Kagawa brands

Bountiful Produce and Meat

We offer original Kagawa brands of meat, including the nationally-renowned Olive Beef, Olive Yume Pork, and more. You will also find seasonal "Sanuki San Fruit," specially-designated premium produce. Be sure to get a taste of these fine flavors, the pride of Kagawa.

Limited-edition goods, only available here!!

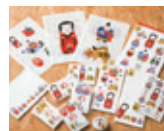

Rare Sugar Products

Rare Sugar production techniques were first developed in Kagawa. The variety of Rare Sugar products include Rare Sugar Sweet (a syrup with a refreshing sweetness containing Rare Sugar), confections, seasonings, and other popular items.

Kagawa Local Product Contest Winners

The Kagawa Local Product Contest is a competition held annually in order to promote the creation of unique Kagawa products, and to discover products that can be sold on a nationwide level. At Ritsurin-An, we offer a variety of popular items from the competition.

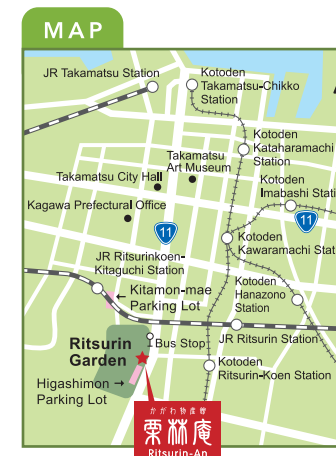

Ritsurin-An Original Goods

Ritsurin-An offers original products, including confections made with ingredients from Kagawa, and traditional-craft crossover items. Full of originality, these products utilize the knowledge of our staff and the skills of the producers.
